PROSPECTOR POOP

The never ending journal of the Prospectors Motorcycle Club

September 2015

photosbygrumpy.com

MOTOCROSS! Sunday, July 19th, was our annual motocross event at Quail Canyon and it was also Round 4 of the AMA So Cal MX Series. We hosted an awesome event that attracted 224 entries, which is a good number but 12 less than we had last year.

This makes 6 years in a row that we have had good weather for our motocross event, we must be doing something right. It even drizzled during the last race, ya gotta love it.

Pot luck dinner! Thank you to our chefs and everybody who brought a side dish to the pot luck Saturday evening, it was most tasty. To all of our members who were not there - you missed it. Our motocross event went very well and thank you to everyone who came out and helped.

CLUB MEETINGS: Our next two club meetings will be Tuesday evening, October 6 and October 20. Kurt's Clubhouse can be found at 4100 Stevely Avenue, Lakewood CA 90713.

Next club newsletter will be mailed October 6 and will have info about our GP, which is October 31 and November 1 this year. Please see pin-up calendar for what happens when. The new Over/Under section of the track will be completed by then so we are guessing that you will be there to help us work the event.

Grand Prix race dates key off of the 1st Sunday, which means that the first day of the event is the last day of the previous month an average of once every seven times there is a GP. For us that means Halloween, as is the case this year. Next three times that happens is in the years 2020, 2026, and 2037.

Can't make it this year? Be advised that in the days following our event, Wildman will invade your dreams with disturbing visual images that will send you screaming in the night - not a pretty picture.

Sideways Down,

Tom Marshall

Daytona 1968

Zero is located in Northern California where they build both dirt and street electric motorcycles. As you can see, their new test rider, Hilda, is a former rodeo star.
